
Announcements Wednesday, May 12, 2010

The Human Rights Team will be meeting TODAY @ 2:05 to discuss the upcoming issue of "The Stand" as well as the Team's role in Human Rights Training. As always, all are welcome.

There is a bag of lost and found items from the prom. If you are missing something please see Mrs. Riker in Room 231.

This Friday 5/14/10 Village School has family fun night from 5:30 to 7. We could use some volunteers for the evening probably from 5 to 7:30. Duties could be help setting up, help running games, and general assistance. If there are students who need some community service hours this would be a much appreciated opportunity. Interested students can contact Thom Courtney or Cindy Muehle.

RENT A SENIOR has been postponed to this Friday May 14th! So get your bids in by Thursday!

Senior Dates

- Senior Internship 5/17 – 5/27. On 5/27 Senior Interns will return for debriefing first thing in the morning and then attend the rest of their classes.
 - Academic Awards Night 5/25 6:30 in MPAC
 - Marching Practice 5/28 – 6/4 8 – 12 pm in MPAC (we will ask for help from those that have senior teaching periods during this time)
 - Graduation 6/6 1 pm at Merrill Auditorium in Portland
-

The Maine Cooperative Extension in Cumberland County will again be presenting a Farm Tractor Safety

ATHLETIC SCHEDULE

Follow this link for the current sports schedules <http://www.digitalsports.com/school/id/10548/page/calendar.aspx>

Relay for life is an overnight event to fund raise and raise awareness for cancer! It is open to any student at the high school who may be interested in participating. It is on June 11th into the 12th at South Portland High School. For any additional information, or to sign up, please contact Taylor Buotte via first class.

Summer Opportunities!

Camp Wohelo on Sebago Lake in Raymond is looking for kitchen assistants at their summer camp from June 19th through August 12th. This opportunity is available to Sophomores, Juniors, and Seniors and is a live-in position. Interested students are encouraged to contact Quincy at 655-4739, or to visit their website - www.wohelo.com to learn more.

The Maine State Police Academy is offering a Junior Trooper Academy Career Orientation Program from July 28th through July 30th for young men and women ages 17 to 19 that are highly interested in a career with the Maine State Police. The application process is highly competitive and there are only 30 spots available. Interested students can stop by the Guidance Office for more information and an application packet.

Waynflete School is sponsoring a rigorous month-long summer program called Sustainable Ocean Studies (SOS), which blends adventure and hands on experience using the Gulf of Maine, from Casco Bay to Penobscot Bay, as the classroom. Students will explore the Gulf of Maine by boat, kayak, snorkeling, and scuba, and gain invaluable field experiences. Interested students who can work well with a wide variety of people are encouraged to stop by Guidance for more information and to pick up application material. Students can also go to www.waynflete.org/summertime to learn more.

Course designed for new drivers who will be operating tractors on farms. The cost is \$12 per student and students must be at least 13 years of age to participate. Interested students are encouraged to stop by the Guidance Office for more information.

Attention Students in Need of Community Service Hours: The American Legion in Westbrook has numerous Community Service Opportunities for interested students. Contact Beverly Preston at 854-9044 for specific information, dates, and times.

Summer Opportunities!

The University of Maine will once again be hosting Creative Design at CAD Camp from June 27th through July 2nd. This fun, active camp builds computer, leadership, and teamwork skills and is open to students in grades 9 through 12. Students don't need experience or an interest in computing, just a desire to have fun using their creativity. More information, as well as registration and scholarship information is available in the Guidance Office.

SMCC will be hosting a "Mind Over Metal" Summer Manufacturing Camp I & II on June 21-25, and then again on *July 5-10 (*students must have taken a previous camp to attend this session), and both of these camps run from 9 am to 3 pm. Students age 14-16 are eligible to attend and the cost is \$100 each camp. Interested students are encouraged to call John Bolduc at 741-5602 anytime during the day. Stop by the Guidance Office for more information.

Girl Scouts of Maine is offering two Wilderness Survival camps for interested teens this summer, and you do not have to be a Girl Scout to attend a Girl Scout Camp. A complete Camp Guide is available online at www.girlscoutsofmaine.org. Feel free to contact Beth Darling, Membership Manager by e-mail at bdarling@gsmaine.org, or by phone at 1-888-922-4763.

Maine Conservation Corps is looking for interested students who are at least 18 years of age for the upcoming summer to join their Field Teams to help build trails, improve campgrounds, and enhance wildlife habitat at various locations throughout the State of Maine. The Field Teams have developed a reputation as being some of Maine's most effective trail builders. Teamwork and cooperation are prime objectives of the program and team members learn new skills, participate in the AmeriCorps national service program, and gain valuable leadership experience. Interested students can stop by the Guidance Office to pick up an application packet.

Questions can be directed to David Vaughan either by e-mail at dvaughan@waynflete.org or by phone at 207-774-5721 ext. 318.

The Pine Tree Council Learning for Life Program will be conducting its 17th Annual Law Enforcement Academy from June 21st through June 25th at the Maine Criminal Justice Academy in Vassalboro. This is an intense and challenging career program in Law Enforcement and the program is restricted to students with a serious interest in law enforcement or military career fields. Stop by the Guidance Office for registration information.

Summer Program: The University of Maine Pulp and Paper Foundation is once again sponsoring "Consider Engineering", a four-day summer program for talented math and science students who will be completing their junior year. Three sessions will be offered during July, and the Pulp and Paper Foundation pays for all on-campus costs of students attending the program. There will be no cost to the student other than transportation to and from the campus and personal spending money that students wish to bring. Enrollment for each session is limited to 32 students and admission is granted on a competitive basis. The application deadline is May 1st, and admission decisions will be announced on or before May 31st. Interested students are encouraged to stop by the Guidance Office for more information.
