Leading the Way to a Brighter Future  
A program of the Maine Public Utilities Commission

Come this Tuesday after school to The Green Team meeting where we

will be performing an energy audit! The energy audit will help to show where the high school can be more energy efficient! The audit will take place from 2-4. We will be meeting in the lobby outside the office. This will be a great opportunity to learn how an energy audit is done.

Jostens will be delivering the class rings on Wednesday, May 26th, during lunch, outside the cafeteria.

---

**Trip to England parent meeting 5:00 Wed. 26th. See Miss Emery for more details.**

All laptops WILL be collected for this summer. They will be reimaged (Completely wiped clean)

This means that anything you want to save on your laptop needs to be backed up before collected. Documents/Important Files/Pictures can be backed up on the GHS Backup Server. This INCLUDES Seniors, if you have no other way to back stuff up, back it up there and you can come back and get it when you get another computer/external hard drive.

---

**Seniors - laptops MUST be turned in on/by May 28th. Make sure you bring your Laptop bag and charger. You must remove any/all stickers and labels. You will be charged for any damage to the machine, if you have insurance it will be up to the \$100 deductible**
